

AVALON ART COLLECTION 07

## IN TRUTH

The atmosphere at Avalon stems from a relaxed, elegant interior and decor that allows you to be yourself. Our Scandinavian origins are apparent and provide a comfortable, functional, contemporary feel.

Avalon opens the doors to creative, intellectual and thought-provoking cultural experiences. Our choices strengthen that feeling and reflect our spirit. We combine uncomplicated design, art and architecture. A sum that is greater than its parts.

We think a bit more.  
Which makes us worth a return visit.
